### FROM DOUBT TO "DID IT"

These two attitudes sum up the SHS gridiron season. During summer practices our team was experienced but insecure, having felt betrayed by a coach who left them for a better contract. It meant that for the 3rd straight season yet another stranger would walk onto the field with them. What were they to expect . . . happiness . . . failure . . . ? Mr. John Nunziato was the man that stepped onto the field with his coaching staff and handled a team of anxious athletes in the only way he knew how . . . the right way!

During the exhibition scrimmages neither the team nor the coaches were optimistic. As the team entered its season opener it faced one of its toughest challenges. Peabody was the reigning champ, pre-season favorite, and a powerhouse in the GBL.

On September 17, in the pouring rain, the mighty Highlanders proved, not only to themselves and their coaches, but to the entire GBL, that this was a new team at SHS. A sparkling overtime win demonstrated our pride and a hunger to change the SHS football image.

## THANKSGIVING DAY RALLY

## THANKSGIVING DAY GAME

Thanksgiving Day brought the chance for Somerville's Highlanders to finish their best season in years with the GBL title. Going in with an 8-1 record, the Highlanders met undefeated Arlington with confidence. At first it looked like Somerville would do it. In the first quarter Somerville recovered an Arlington fumble at the Arlington 13 yard line. Then Ray Snow passed to Timmy Nelson and the Highlanders were ahead.

At the end of the first half Somerville led 7 - 0 and was looking strong. It was in the second half, though, that Arlington came to life and proceeded to score four consecutive touchdowns. From that point Somerville couldn't seem to make anything happen, and when they did have opportunities, they couldn't score.

The final score of 29 - 7, Arlington, didn't show how close the game really was, but it did end one of Somerville's best seasons on a sad note.

### SUPER SOMERVILLE SOCCER

The '77 - '78 Soccer Team, led by head coach Phil Vaccaro, assistant coach Sal Gulino, and Captains Carlos Arruda, Billy Jarnagin, and Sal LoBrutto, finished with an 8 - 3 - 3 record, which earned them 2nd place in the GBL and a spot in the Eastern Mass. Soccer Tournament.

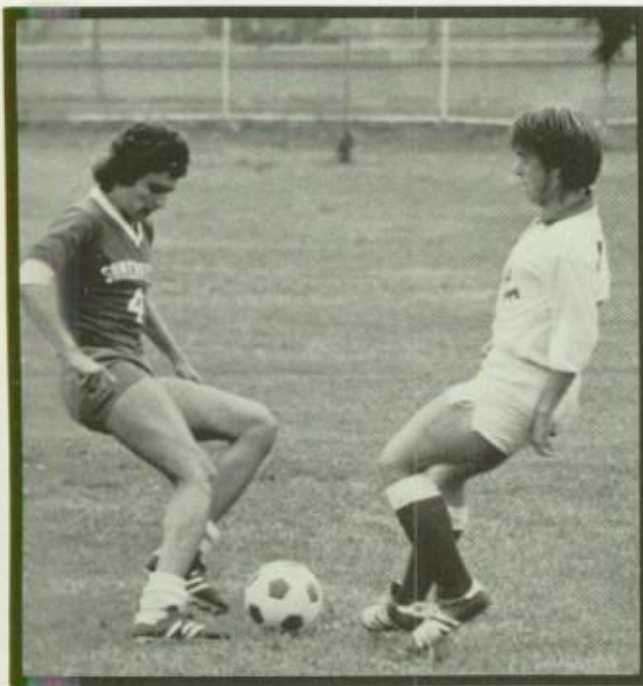

The Highlanders got off to a quick start, winning their first 3 games by shutouts. Unfortunately the team could not keep up this pace, scattering 5 wins, 3 ties, and 3 losses over the next 11 games. In the State Tournament the booters lost a heartbreaking 1 - 0 decision in the first round to 7th seeded Franklin. The Franklin goal came in a downpour in the last minute of the game.

Graduation will no doubt hurt Phil Vaccaro's squad by taking with it many experienced players. But luckily many skillful juniors and sophomores, including Jose Fernandes, Victor Silva, Tom Bullock, and Mike Scimemi, will be back next year.

Five players from this year's team received post season honors. Named to the GBL 1st All Star Team were Sal LoBrutto and Victor Silva. Sal was also chosen for the Eastern Mass. Division I All Star Team. Tom Bullock, Billy Jarnagin, and Andy Holmes were named to the GBL 2nd All Star Team.

The SHS Cross-Country Team finished its season with a 1-7 GBL record. Captain Jimmy O'Connor, whose performance against Everett was one of the highlights of the year, led his team through a tough season. Runners Steve Senna, Billy Murphy, and Ken Donaldson gave good efforts with Mike Megan and John Flynn giving strong performances in the All Star Meet.

Strong performances were also a major part of the '77-'78 Indoor Track season. The team ended its season with a 3-4-1 record in the GBL and a 5-4-1 finish over all. A high point of the year was Gene Espinal's running the 50 yard dash in a record-breaking 5.6 seconds. Other key performances were given by Co-Captain Joe Deveau and teammate Kevin Thorne in the 300 yard dash and by Co-Captain Stefan Kariotis in the High Hurdles. Runners Bob Mimmo, Billy Murphy, Steve Senna, shot putter George Drugas, high jumper Larry Ambush, and dual team member Alan George all contributed their efforts to make the season a success.

Cross-Country Captain Joyce Moran

The 1977-1978 Girls' Cross-Country Team finished with a 3-4 record. After a great 3-0 start, the team was hurt by injuries. Some of the season's high points were the first win over Arlington led by Captain Joyce Moran, Helen Basile's great race against Bedford, and Patty Giampa's high finish at the Bedford Invitionals. The team did well considering there were no Senior members.

Another young team was the Girls' Indoor Track Team led by Co-Captains Patty Mangiacotti and Wendy McInerny. This team was the largest ever, showing the growing interest in track by girls. Although the team is not a part of an organized league and therefore not an official team, the girls spend hours in practice. The hardwork and determination of these athletes was recognized when seven members qualified for the State Meet. Outstanding performances throughout the season were given by Patty Mangiacotti, Wendy McInerny, Brenda Athanase, Francine Rothwell, and Wendy Gamache.

Basketball has always been one of SHS's most popular sports. The members of this year's team, especially Co-Captains Joe MacKay and John Arria, and Coach Gerry Knight, tried very hard to keep up their winning record. The season was full of some surprising upsets. First, Somerville was stunned when it lost to Chelsea for the first time in 15 years with a score of 60-54. Later in the season it was Peabody's turn to be upset by the Highlander's, 43-42, with a 25 ft. shot at the buzzer by John Arria. Although the team didn't finish first, they did qualify for the Tech Tourney. Faithful fans showed they were not disappointed in their team by turning out in large numbers at both home and away games.

SHS sported the youngest Basketball Team in the League, with only two Senior starters. It was partly because they lacked experienced players that the team failed to make the State Tournament for the first time in 3 years.

Captain Linda Silvestri was one of the team's most steady performers. Her ability was recognized when she was named to the GBL Girls' All Star Team for the second straight year. Co-Captain Doreen Lucia also performed brilliantly.

A definite factor in the outcome of next year's season will be the return of Joyce Moran and 4'11" guards Cheryl Marques and Cathy Harvey. With these and other players combining their efforts, next season looks promising.

The Hockey Cheerleaders

The SHS Hockey Team completed its 1977-1978 season with a record of 7-14-0. It was a disappointing season for the Coach as well as the team. Our team, led by Co-Captains Steve Scurini and Tony Marinello, had hoped for a stronger record but somehow it just didn't seem to come together for them. The outgoing Seniors: Mike Driscoll, John Dye, Joe Grace, Gabe Labao, Mike Lauria, Tony Marinello, Mike Nicholas, Steve Scurini, Richie Sperlinga, and Tom Tierney really hustled and did their best during the season.

Although all the games were held away from home, the team's spirit was raised by their cheerleaders and by the few faithful fans who managed to get to the rinks.

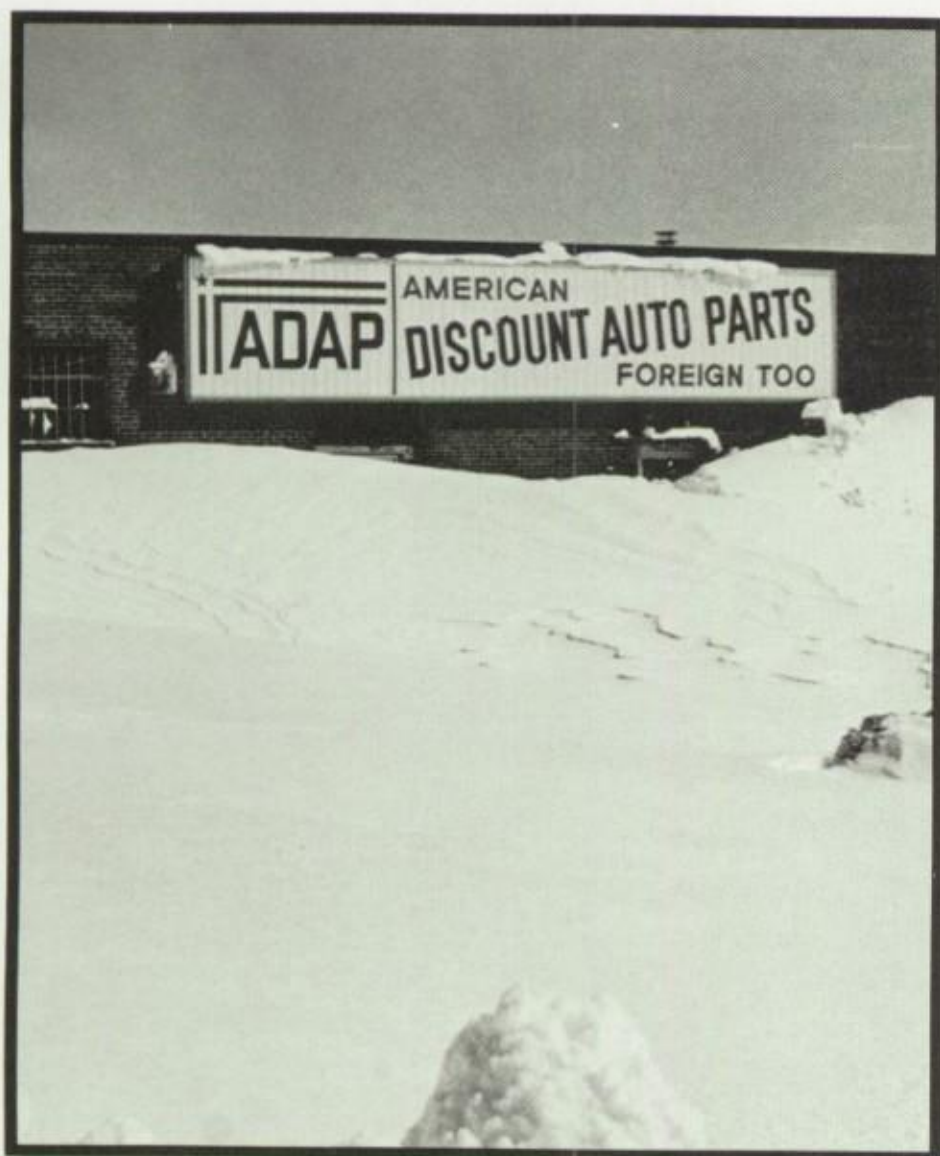

But the year was not a total loss - the team displayed talent, effort, and spirit. Coach Doncaster has greater hopes for next year since more than half the team will be returning.

# GREATEST SNOW ON EARTH

Monday, February 6, 1978 was just another school day, with only two weeks until February vacation. Or so we thought. But the increasingly strong gusts of wind that swirled the light snow around the corners of SHS on that day should have been a warning to us of what was to come.

The blizzard/hurricane of that night and all the next day was a record-breaker that dumped 29" of snow on us and reduced the number of school days that month to six.

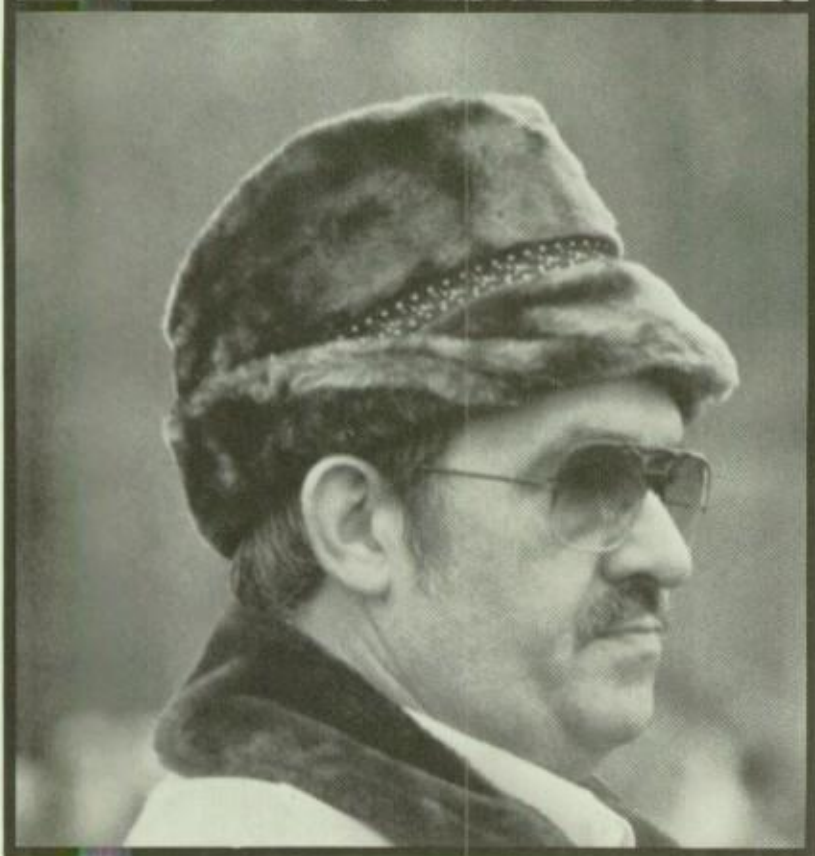

On Wednesday, February 8, most people braved out into the endless snow and with shovels flying frantically searched for their cars. But we soon ran out of places to dump the snow that we were shoveling. Only when we rested from all the shoveling by WALKING to the neighborhood store to search for bread and milk (and to swap storm stories) did we notice how beautiful it looked with EVERYTHING covered in deep white.

True, we couldn't drive, but at least we had our houses and city intact. Many coastal communities near us had residents lose their homes, their autos, and even their lives to rushing flood waters from the violent ocean. Cars, stranded on Rt. 128 on Monday night, had to wait until the end of the week to be dislodged by the U.S. Army.

At least we didn't experience the helpless feeling of watching our homes being washed away or of facing an indefinite stay in a church or school shelter.

What year did we graduate from High School? The year of that famous blizzard. And we did survive.

## CLASS POEM by RUTHANNE FITZGERALD

We begin  
 Young, frightened  
 Alone but hopeful  
 Proud.  
 Of ourselves  
 Our abilities  
 Our dreams  
 With faltering footsteps  
 Faced with indecision  
 Peppered with defiance  
 We move into a world  
 One that is not there for us  
 But there for us to change.  
 We will remember  
 These years, which have held for us  
 Laughter and lessons  
 Tears and triumphs  
 Friends and enemies  
 Proud.  
 Of what we were  
 What we have become  
 What we have done with our dreams and talents  
 We will strive  
 Learning, teaching, changing  
 Proud.  
 To achieve our goals  
 To better our world  
 To build our future.

Maria,

You turned me back to  
Jesus, my own church. It's a  
debt I can never repay but  
I'll always be thankful;

Love,  
Patty Kelly

Maria,

One of my ~~first~~ first friends,  
remember all our great times,  
Always remember me! Good

everything you do. Love

your libtanic  
friend Pg. 67
